The relevance of these documents, as ascertained with respect to the Japanese claims by the Japanese Examiner, is set forth in the Japanese Notice of Reason for Rejection.

Further to 37 C.F.R. §1.98 (a)(2)(ii), copies of the U.S. patent publications are not enclosed herewith. However, if any copy is needed, the Examiner is respectfully requested to contact the undersigned.

Applicants respectfully request that the Examiner consider the above material and cite the same. Copies of the above-noted foreign documents, with the exception of document (1), are attached hereto, and all of the documents, with the exception of document (1), are listed on an attached Form PTO-1449. A copy of the Japanese Notice of Reason for Rejection, including an English language translation thereof, is also attached hereto. However, if an Office Action on the merits has issued and is crossing this statement in the mail, Applicants hereby certify that each new item of information contained in the Information Disclosure Statement (i.e., above-noted documents (2) and (3)) was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the Information Disclosure Statement, and thus no fee is required to ensure consideration of the submitted material.
